## Why A Forest Festival ?

Historically, land in our region was cleared for farming practices. Today, our region is dominated by forests.

Our forests provide us with many incredible benefits:

- Source of Timber
- Maple Syrup
- Food
- Wildlife & Wildlife Habitat
- Recreation
- Water Filtration
- Fuelwood
- Economic Growth
- Air Quality

Most of these benefits are provided by Private Forest Landowners

The Festival is brought to you by the Catskill Forest Association
